6. Nature and Extent of involvement of Faculty and Students in academic and administrative affairs

Krishna Chaitanya Institute of Science and Technology creates a platform for the active participation of the students and faculty in the various academic and administrative bodies including other activities. This empowers the students and faculty in gaining leadership qualities, in following rules, regulations and execution of skills. Student Councils are actively participating and organizing various activities related to academics, co- curricular and Extra-curricular activities, with the guidance of faculty. They are providing great support to college related academic / administrative work with the help of other students. They are actively involving in motivating the students to participate in various activities conducted by the college. Student's council is headed by Principal as the Chairman and remaining positions like President, Vice - President, General Secretary and Joint Secretary, are represented by students. Members of student's council are filled with class representatives of UG and PG programs. Institute has constituted various other committees to involve in different academic and administrative activities in campus apart from the Student Council. College is very keen in encouraging students to participate in various academic and administrative committees. It improves the academic and administrative capabilities of both students' and faculty.

7. Mechanism and Procedure for good governance

The Vision and Mission of the Institute are:

Student feedback on faculty Performance

The institution reviews its teaching learning process, structures and methodologies of operations and learning outcomes at periodic intervals through IQAC.

Student Feedback on Teaching and Learning Process (TLP)

Student feedback on faculty performance is done through comprehensive performance systems and the feedback is communicated to all concerned. Students appraise the faculty through a structured format on a variety of parameters. Based on the feedback the institution up-dates academic programmes and value added programmes most relevant to the current requirements. Institute has adopted two structured mechanisms to continuously review the teaching learning process are:

1. Online Student feedback

2. Student feedback on TLP.

(a). Online Student feedback:

Online Student feedback has been collecting from students' at beginning of the semester. Feedback analysis has been preparing based on the data and suggested accordingly:

1. Suggestion letters to faculty whose feedback obtain less than 70 (<70).
2. Appreciation letters to faculty whose feedback obtain greater than 90 (>90).

(b). Student feedback on TLP.

Student feedback on TLP has been collecting just before the end-semesters and suggestion/appreciation letters will be issued to the faculty regarding feedback. This feedback has five metrics (attributes) are as follows:

1. Time Sense
2. Subject Command/Delivery
3. Use of Teaching Aids/ Teaching Methods
4. Attitude

CONSTITUTION OF SC/ST/OBC-COMMITTEE ACADEMIC YEAR 2025-26

KIST/SC/ST/OBC-Committee/2025-26/01

Date: 04-06-2025

In India, the terms Scheduled Castes (SC), Scheduled Tribes (ST), and Other Backward Classes (OBC) refer to specific categories of communities identified for affirmative action. These classifications stem from historical injustices and social discrimination faced by these groups, and they play a crucial role in promoting social justice and equality. **Scheduled Castes (SC)** includes communities that have faced social ostracism and discrimination, historically referred to as Dalits. **Scheduled Tribes (ST)** encompasses indigenous tribes with unique cultural identities, often residing in remote areas. **Other Backward Classes (OBC)** consists of socially and educationally disadvantaged communities that do not fall under SC or ST categories. The Indian government has implemented various policies and reservations in education and employment to uplift these communities, aiming to reduce inequality and promote their socio-economic development. These classifications are integral to ensuring that historically marginalized groups receive the necessary support to improve their living standards and integrate into mainstream society. And OBC candidates, for evolving new policies or modifying existing policy by the State Government and University Grants Commission. To deal with representations received from Scheduled Castes/Scheduled Tribes and OBC candidates regarding their admission, recruitment, promotion and other similar matters in Universities/Affiliated Colleges.

OBJECTIVES OF THE COMMITTEE

- To ensure provisions for an environment where all such students feel safe and secure.
- To ensure compliance of the orders of reservation issued and other benefits admissible from time to time in favor of SC/ST and OBCs
- To ensure protection and reservation as provided in the constitution of India.
- To provide the mechanism to redress the grievance of SC/ST students, if any.
- To provide prompt counseling for any emotional emergencies arising on account of any event at the campus.
- To aware the SC/ST students regarding various scholarships program of State Govt.

Placement training (also known as Campus Recruitment Training) plays a major role in shaping up of careers and honing the skills of students. It is the dream of every engineering student to get placed in a reputed organization that visits their campus for recruitment purpose. Considering this very fact, training has been emphasized to the maximum level as it is important for engineering students to enhance their employability skills and get placed in various organizations / industries.

Currently, the competition for employment is increasing every day and placement has become a challenging task. Training of students and equipping them with life skills has become an important responsibility of the institution. Along with technical expertise, development of a holistic personality is also necessary. To meet out these requirements, a full-fledged training cell is operating in our college to enhance the capabilities of engineering graduates on par with the industry standards.

(Accredited by NAAC, Recognized by UGC Under 2(f), Approved by AICTE & Affiliated to VS University, Nellore)

Objectives:

The following are the objectives of the Training Cell:

- To provide (100%) employment to all the eligible students.
- To recognize the core competencies of the students and make them ready to industry expectations by means of various training sessions, both in-house and external.
- To enhance the confidence levels among the students by improving communication skills, aptitude skills and technical skills.
- To develop the Apt attitude, needed to build career, among the students.
- Create awareness about "Career Planning" and "Career Mapping" among the students.
- Equip the student with Life Skills, which are also known as Soft Skills.
- Train the students on "Persona Enhancement".
- Organize various Training Programs to equip enough knowledge to the students in the areas of Quantitative Aptitude, Logical Reasoning and Verbal Reasoning through in-house trainers and reputed external training organizations.
- Train the students through Mock Interviews to perform well in interviews as per the expectations of the corporate world.
- Train the students on group discussion techniques by conducting Mock Group Discussions.
- Conduct online tests and written aptitude tests.
